

ECONOMY MOBILE HAND SINK

Self Contained Portable Hand Sink without Water Heater

ECONOMY "HS-E" SERIES

Economy portable hand sink is self-contained to allow safe hand washing and sanitizing in remote locations

- 1** FWE's hands-free portable hand sinks are perfect for any location, making it possible to offer practical hand washing when it is needed to meet safety standards
- 2** Faucet is hands free and engaged by an easy-to-use knee-height push button. Duration of water flow is controlled by a timer factory preset for 5 seconds and is field adjustable
- 3** Made for transport applications - FWE hand sinks are fully constructed of stainless steel and equipped with heavy-duty maintenance-free casters
- 4** Provided with 5 gallon fresh water tank for consistent draw and a 7 gallon waste water tank to hold drainage
- 5** Lockable door prevents unauthorized access for safety and security
- 6** Cord exit can be easily moved to either side, providing flexibility in field placement

***Two year limited warranty**
