

MERCHANDISING STATION SPEED LINE

For Grab & Go Items in Various Bins and Serving Containers

STAINLESS STEEL & LAMINATE "ETC-MC" SERIES

Portable and versatile, this merchandising station enhances your speed line system with a sleek design to suit your space

- 1 Our speed line equipment is mobile, modular, and flexible. Use these pieces individually or combine with matching speed line system for a complete look. Easily interchange individual units without replacing the entire system
- 2 Fits beautifully into your space with sleek, removable, laminate side panels. Choose from 13 laminate styles and find the perfect fit
- 3 Equipped with 3.5" all swivel locking casters — easily rearrange your speedline layout in minutes, or move aside for cleaning
- 4 Stands up to daily wear with durable stainless steel workspace and tough laminate sides with stainless steel corner trim. Easy to clean stainless steel top and interior are resistant to corrosion
- 5 Customizable to suit your needs, we offer a variety of custom sizes and options such as a sneeze guard, overshell, and tray slide shelf
- 6 Various heights available to fit operation — standard height (34") and elementary height (31.5")

***Two year limited warranty**
